

July 15, 2013

Dear Dan & Sue,

I wanted to personally thank you for your title sponsorship of the 2013 Mill Creek Festival! Though your generous support has been appreciated each of the past six years that you have been our title sponsor, this year's participation was especially critical to the event. I appreciate you stepping up at a time when a number of our other sponsors have had to cut their marketing expense.

North Creek Roofing is the very definition of a community leader! Not only have you backed the Mill Creek Business Association in countless charitable drives, outreach campaigns and community activities, but you have supported initiatives important to the community, including:

- Mill Creek Food Bank
- Mill Creek Forum Concert Series
- Mill Creek Police Guild
- Mill Creek Town Center Merchants Association
- Volunteers of America
- Muscular Dystrophy Association
- Jackson High School

What impresses me is what North Creek Roofing does for the community beyond the financial support. The countless hours you volunteer, whether it is shuttling donations for the food bank, picking garbage off the street after the festival or greeting kids at a Christmas event, speaks volumes about your character.

On behalf of the Mill Creek Business Association, the Mill Creek Festival Planning Committee and the Mill Creek Community at large, thank you for all North Creek Roofing does for Mill Creek!

Sincerely,

Kevin

Kevin Giboney, President
Mill Creek Business Association
